Cover Letter Explaining US Postal Service Return Of Original "Amendment-A" Mailing

Sir:

As discussed with the Patent Examiner this morning, I am re-sending the original "Amendment-A" mailing. I am also sending photocopies of my original delivery confirmation, receipt, and returned envelope (see attachments).

The original mailing was apparently sent to an old address (Commissioner of Patents & Trademarks, Washington DC, 20231) on April-21, 2005. This original mailing was returned to me yesterday (May-2, 2005) by the US Postal Service. Oddly, the returned envelope was open on the side, but all of the contents seemed to be intact. I am re-sending these same documents to you today (May-3, 2005). These items will be sent to the Alexandria VA address as recommended by the Examiner.

Very Respectfully,

Michael W. McRae
